## ***ACADEMIC CURRICULUM***

The School Academic Year comprises of two semesters & Two Periodic Test as herein below:

**First Semester** :

**Second Semester** :

**Periodic Test-1** :

**Periodic Test-2** :

School is affiliated to the Central Board of Secondary Education (CBSE). We prepare our Students from Pre-KG to XII Standard in accordance with the CBSE Syllabus, giving due respect to the New Educational Policy of the Government of India following Textbooks and Reference books based on the guidelines of NCERT. This enables our students to be well prepared to appear for the, AISSCE (All India Senior Secondary School Certificate Examination) conducted by CBSE.

GEMS School provides education to students right from Pre KG Secondary Level.

In the Junior Sections, we take extra care to ensure that the syllabus of one class details into the next higher class in a way such that no undue burden is felt by the student.

Scientifically-proven graded methods of teaching towards developing the skill to read and write are adopted. Art and Craft (line and curve drawings, thumb-print sketches, Spray and mosaic paintings, paper folding, Plasticize models, etc.), Music, Puppetry, Story telling and Role play form an integral part of the curriculum.

A full-fledged Laboratory to suit the specific needs of students is a unique feature of the Institution.

Work Experience, Outdoor and Co-Curricular Activities, etc. enrich the Seniors' Curriculum. Uncrowded classroom with the Teacher Student ratio working out to an ideal average of 1:1.5 make individual attention and personalized care a reality.

### ***CONTINUOUS COMPREHENSIVE EVALUATION(CCE)***

To provide a holistic profile of the students through regular assessment of scholastic and co-scholastic domains of development, the school follows a

continuous and comprehensive evaluation according to the guidelines given by the CBSE Board. The CCE scheme brings about a paradigm shift from examination to effective pedagogy.

### ***CLASSES –I-V***

To de-stress learning and not to give undue focus to the Terminal Examination, a Continuous and Comprehensive Evaluation (CCE) is introduced in the primary classes. Cycle Tests have been introduced in these classes (Std. I to V). CCE is spread over the year. An Achievement Record is maintained for each student and this is the same format as specified by the CBSE Board. Cycle Test for these classes will be conducted on Friday.

### ***CLASSES –VI-XII***

The whole academic session is divided into two semesters. The First Semester is from April to September and the Second Semester is from October to March. Each semester will have two Formative Assessment and one Summative Assessment. Classes VI to XII will have cycle test on Friday.

Promotion is based on the day-to-day work of the students throughout the year and also on the performance in the Semester (Terminal) Examination.
